Glendale Video Library Online. Glendale residents can now watch their favorite shows from the award-winning Glendale 11 television station, as well as current and past city council meetings, online and on-demand thanks to a new video library on the city's Web site.

This new video archive aims to keep residents informed, with the convenience of watching

what they want, when they want it. The library can be found at www.glendaleaz.com/video and features a variety of video content about the city of Glendale, including city council and planning & zoning meetings, regular Glendale 11 programming, and special features like festival shows and the popular “The Making of the Stadium.”

Powered by Granicus, an online video streaming tool, the video library also allows users to search city council meetings for specific agenda items and then click immediately to that part of the meeting that interests them. The video archive is Glendale’s latest effort to use technology to reach citizens, and it joins the city’s growing family of multi-media and social media offerings.

From The Heart Application Workshop. Social service agencies that serve Glendale residents are invited to a grant application workshop on Wednesday, February 17 to learn how to apply for From The Heart funding. The workshop will be held from 2-4 p.m. in Room B-3 at Glendale City Hall, 59th and Glendale avenues. Grant applications will be available at the workshop and online.

From The Heart is a partnership between Glendale residents and businesses, the BHHS Legacy Foundation and the city of Glendale. The program promotes the positive development of youth, strengthens the capabilities of families and assists residents in addressing crisis needs. This year, due to economic conditions, special emphasis will be placed on funding non-profit agencies that provide essential services to residents, such as emergency food, clothing, housing and utility payment assistance.

To be eligible for grant funding, social service agencies must be non-profit 501(c)(3) organizations that serve Glendale residents. Agencies must also have been operational for at least 12 months prior to applying for grants, which range from \$2,500 to \$20,000.

The deadline to submit a completed application packet is 4 p.m. Friday, March 5.
